

**VALTC MCO Contract**  
**Addendum 1**  
**May 9, 2008**

Section	Question	Response
8.4	On page 158, section 8.4 it states all SWAM information should be submitted with the Covered Services Application. On page 163, section 9.1 it states that SWAM utilization is a minimum requirement for an application. Does the SWAM utilization need to be submitted with the Mandatory Application in addition to the Covered Services Application?	Replace Language: All information requested by this contract on ownership, utilization and planned involvement of small businesses, women-owned businesses and minority-owned business shall be submitted with the <del>Covered Services</del> <u>Mandatory Requirements</u> Application.
11.20	On page 181, section 11.20 there is a requirement for a signed statement by the chief executive officer of the parent organization pledging the full resources of the parent organization. It appears that this requirement is a part of the Covered Services Application and due on August 29, 2008. Can you please confirm or clarify?	In the event the MCO is a subsidiary or division of a parent organization, the MCO must include in the application, a signed statement by the chief executive officer of the parent organization pledging the full resources of the parent organization to meet the responsibilities of the subsidiary organization under contract to the Department.  This requirement is due on August 29, 2008 with the Covered Services Application.
